

Hannah was a
much sought
after midwife
who bragged of
never loosing a
mother when many
women died of "child
Bed Fever." She
Believed that cleanliness
was next to Godliness
so she washed mother
with "good" Lye
Soap.

Howard D Fisher said
he could remember
her sitting on the
porch + rocking
& putting on her
slay pipe full
of "Tobacco"

8a

"Quaker John" Fisher
